From the Principal

SENIOR INDUCTION

Our Senior Induction Ceremony was held on Monday, 16 February. The occasion was a special one for our Year 12 cohort and for our Year 11 student leaders. The ceremony was hosted by 2015 School Captains Emily Griffin and Dominic Paino.

I would like to thank our special guests for their attendance and participation in the ceremony: our School Patron, Ms Lyn Deveraux; Mr Kieran Chan (2011 School Vice-Captain), Mr Mark Ryan (Member for Morayfield), Mr Stephen Sly (P&C President), Ms Cathy Malone (P&C Treasurer), Ms Vicky Gahan (Principal Morayfield SS), Mr Sean Bennett (Principal, Minimbah SS) and Aunty Lynne Matsen (Indigenous Elder). I would also like to thank parents and friends who attended to support their students.

I am very proud of our Year 12 students who took the Senior Oath and I am confident that our newly inducted student leaders will lead with pride and integrity and will have a positive influence on our school culture.

Congratulations to the following students who take up leadership positions:

- **With Our Policy/Procedures and Check They Are**
- **SCHOOL UNIFORM THANKS TO PARENTS FOR SUPPORT WITH**
- **Our Teachers Have Analyzed the Needs of Students in Their Classes and Are Focussing Their Energies on Ensuring Every Student Succeeds in Every Class. We Will Provide Explicit Feedback to Students to Help Them Improve and Will Employ Teaching Strategies to Suit Their Learning Styles and Needs.**
- **We Ask That You Work with Us to Ensure Students Are Achieving to Their Potential by Working in Partnership with Us. Some Things You Could Do to Support Are:**
  - **Ask Your Student for Their Diary – Familiarise Yourself with Our Policy/Procedures and Check They Are Entering Their Homework;**
  - **Monitor That They Are Completing Homework, Assist Where You Can and Contact Individual Teachers If You Have Any Concerns;**
  - **Ask Your Student What They Are Learning in Particular Subjects and Have Them Explain What Their Goals in the Subject Are;**
  - **Check That Your Student Has Packed Their Bag With All Books/Equipment Required for the Day; and**
  - **Ensure That Students Are Getting a Good Night Sleep So They Are Alert and Ready to Learn.**

### Thanks to Parents for Support With School Uniform

I would like to thank parents/caregivers for your support in outfitting your children in the full school uniform as required. I understand that it is an expensive time of the year for families, but I am pleased to report that almost all of our students have the full casual and formal uniforms.

It is our intention to promote student pride in their dress and in their school and we ask for your continued cooperation with the school to ensure that this very high standard of dress is sustained throughout the year. We wish to ensure that our energy is invested in student learning and improvement in student outcomes, not following up on uniform issues.

### Contact Details

It is vitally important that we are kept up to date with any changes of address or contact details for all of our families and emergency contacts. Throughout the year, if there is a change to any of your details please contact the school office so that we can update our database.

**Janelle Amos**
**Principal**

### Deputy Principal News

**STUDENT ENGAGEMENT**

We have had a fantastic start to the year with the vast majority of our students returning from holidays ready to start learning. This makes a huge difference to amount of work that can be covered in classes and students should be congratulated for their efforts so far. It is our expectation that students maintain high standards and work to the best of their ability throughout the term. Many students are already well on the way to achieving their Summit Club Gold Cards by collecting stamps in their diaries or by accumulating merit points in our roll marking

### School Induction

**FOCUS ON EXPLICIT TEACHING AND LEARNING**

As I have visited many of our classrooms over the past fortnight, I have been pleased to see that students are engaged in their learning and can articulate what it is they are working towards. Teachers have set clear learning goals for students, clearly defined classroom expectations and have provided students with Semester/Unit Overviews.
software program. I look forward to seeing them presented on our Celebration Assemblies later this term.

**EVERY DAY COUNTS!**

Our core business is teaching and learning so to that end we will be teaching and assessing for the full term. We expect every student to be engaged fully in their learning and to maintain regular attendance and appropriate behaviour.

As outlined by the Department of Education, Training and Employment, “under Queensland law, you must make sure your child of school age is enrolled and attends school all day, every school day unless they have an acceptable reason.” You are encouraged not to schedule holidays during school time. Missing time at the end of the school term may result in your child not completing assessment which may have a negative impact on their school achievement.

If you wish to discuss your child’s attendance, please contact the relevant Deputy Principal for your Year Level.

**Pete Keen**
Deputy Principal

**Junior Secondary News**

Thank you to all of you who were able to attend the welcome BBQ for Year 7 and 8 parents and students. It was a great opportunity to meet in an informal setting to begin developing those ever important relationships. I would also like to thank two of our support staff, Tavita and Jesse, for their skills at the BBQ hot plate and to our Senior Leaders who represented our school with pride.

**Kerri Furlong**
Head of Department Junior Secondary /Languages

**Year Level CoOrdinator News**

The Senior Students at Morayfield State High School have been very visible over the last four weeks as they start to hit high gear for the start of 2015. The Year 11 students have stepped up into the ‘Senior Years’ and the Year 12 students have checked calendars to realise just how much time is left to them as a High School student.

Assessment calendars are almost ready for distribution with dates for all due items for Semester One and students are encouraged to put these dates into their diaries. The upgrade to Office365 for their student email also allows them to share assessment calendars with fellow students and teachers to ensure they are maintaining contact with their upcoming commitments. Students are also being encouraged by teachers to plan and develop ‘Study Timetables’ to ensure they do not fall behind with the workload and subject themselves to unnecessary stress.

There has been time for celebration though. The Year 12s were formally ‘Inducted’ as Senior Students on Monday and the Year 11 Student Leaders were there to witness the event and then participate by receiving their Senior Leader Badges. 2015 looks bright for all these students and we wish them well over the coming months.

**Mr Smith**
Year Level CoOrdinator

**Cashier News**

Thank you to those families that have already paid the Student Resource Scheme for 2015. For those families that have not paid, the Student Resource Scheme (SRS) for 2015 is now overdue. Please complete the SRS form and return to the Cashier with payment to ensure your student has access to resources.

If you have chosen not to join the Student Resource Scheme, you should have advised the school office in writing of non-participation. If you have chosen not to join the Scheme or have become financially ineligible by non-payment of fees you will be responsible for providing your student with the items that would otherwise be provided by the Scheme. For non-participants a complete list of the items (all textbooks, resources, consumable materials) that a student requires for each subject/year level is available from the school office or on our school website. Please note: these lists are separate from the stationery requirements lists available on the school website.

For those students who are studying Certificate III in Children’s Services and/or Certificate III in Fitness, the subject fees will be added to accounts shortly and invoices will be posted home once complete.

Any families experiencing financial difficulties at this time, please contact the school office on 5428 5555 to schedule an appointment with the Business Services Manager so that special arrangements can be made to meet your needs. All discussions will be held in confidence.

Cashier hours are 8:15am - 1:30pm Monday - Friday.

Every Day Counts
Form is an important time in the school day. This is when students receive messages about classroom changes, activities going on in the school and so forth. It is also a time where they can talk with their Form teacher about any issues concerning them; discuss their academic progress or any issues with attendance. During this time a year level assembly may also be called.

Form class begins at 8:45am. This is the beginning of the school day. Students are expected to be at their Form class on time.

WORKING TOGETHER
It is important that you ensure that your student is arriving to school in time for their Form lesson. If a student arrives between 8:45am and 8:55am they are to go directly to their Form class. In the case of a student arriving after 8:55am, they are to go to the late window at the office.

All lateness must be explained; therefore we request that you send a note with your student or phone the absence line on 5428 5522 or 5428 5560 with an explanation.

For more detailed information regarding the school’s attendance policy, please visit the school website.

Kerri Furlong
Head of Department Junior Secondary/Languages

Senior Induction
"As a senior of Morayfield State High School, I do solemnly pledge to uphold its values, traditions and policies and provide leadership to all students. I pledge that my behaviour will always reflect Morayfield State High School’s vision of achieving excellence through innovation and integrity; leadership and community. I pledge that my actions will reflect the school’s values of learning, respect for self and others, working together, honesty and fairness and working towards a safe and pleasant environment”.

This was the oath that 244 Year 12 students undertook on Monday, 16 February. The ceremony was a solemn one that not only inducted our seniors into their final year as a high school student, but also celebrated the achievement of 19 Year 12 Prefects and 26 Year 11 leaders. We welcomed a new student leadership team for 2015 with Emily Griffin and Dominic Paino at the helm.

We wish them all the best in their endeavours and look forward to the positive energy you will bring into the school!

Also a timely reminder, a major part of being successful in school and completing Year 12 is to ensure that you have paid resource fees and completed all documentation for the resource scheme. Also it is critical that all Year 12’s have completed their permission and copyright forms for photography. If this has not been completed then we will not be able to use your image or work in any school or external event. Please see Mrs Singh if in doubt.

Finally, the orders for your Senior Shirt are now being taken. Please see Ms Reiter in the uniform shop between 8:00am and 9:00am. The deadline for orders is the 5 March 2015 and the cost is $45.

“Change your thoughts and you change your world.” – Norman Vincent Peale

Bharti Singh
Year 12 Co Ordinator

Welcome to LANES
Imagine this: you walk into a buzzing classroom, ready to learn. The teacher greets you and so the lesson begins. Over the next 70 minutes you are tested on your spelling and you learn how to use punctuation correctly. You read different texts and answer questions, practising your comprehension, short response and writing skills. As a class, you check your answers and the teacher explains how to fix any mistakes you have made. The bell rings for the end of the day and you leave knowing how to spell three new words and how to use a semi-colon correctly. Welcome to LANES!

Literacy and Numeracy Essential Skills (LANES) classes run once a week and focus on teaching students skills that will assist them in all subject areas. When students enter a LANES class, ready to learn, they are provided with an opportunity to improve their spelling, punctuation and grammar, as well as being given time to practise their reading and writing skills in an environment in which the primary focus is to improve their proficiency in these areas. Students are assessed on what they learn in class, allowing parents and caregivers to see their progress.

Morayfield State High School is excited about LANES in 2015, with teachers and students seeing it as a valuable tool in building and strengthening the literacy and numeracy skills students need in order to succeed in their education.

Hollie Scruton
Literacy Coach/Teacher
QUT Science and Engineering Challenge – Friday 13 February

Morayfield State High School representatives with past student and QUT Student Ambassador Daniel Smith (Class of 2013)

On Friday 13 February, 15 high achieving Year 10 students represented the school at the QUT Science and Engineering Challenge, held at the QUT Caboolture campus. The challenge, which is supported by QUT and the University of Newcastle, involves students developing creative and practical solutions to real world problems such as building earthquake-proof skyscrapers, eco-friendly houses and vehicles capable of traversing the surface of Mars, to name a few. The challenges are a test of the students’ mathematics, science and engineering knowledge and aim to promote problem solving skills and teamwork.

The students who attended this year all represented the school exceptionally and should be proud of their efforts. Morayfield State High School placed 6th in our region on the day. The feedback from the students was overwhelmingly positive and I am sure they gained a great deal from the challenge.

The students involved were Teagan Barnard, Kyle Barnwell, Dayne Coyne, Blair Downey, Matthew Duff, Robert Fraser, Aden Harrison, Steven Jones, Shaun Kuhn, Liam Quinn, Connor Turier, Ciaran Underwood, Zac Wilton, Michelle Wray and Rhiann York.

Andrew Lindsay
Science and Mathematics Teacher

Supporting Our Students’ Academic Needs

If your student is in need of some extra support with completing homework or assessment, struggling with in-class work or simply needs to print off an assignment, school staff are available to assist.

“VIVE LE CARNIVAL”

Did you know that February in France, is Carnival?

The Nice Carnival is one of the largest and most colourful carnivals in the world. There are 15 days (and nights) of carnival parades with decorated floats and gigantic “papier-mâché” figurines. During the Flower parade, extravagantly dressed characters throw hundreds of thousands of flowers into the crowd along the Promenade des Anglais and more than a thousand dancers and musicians, from around the world, perform at the carnival.

By night, the floats are illuminated for the Parade of Lights. The theme for the 2015 carnival is “King of Music”. It takes place from 13 of February and finishes on March the first.

Swimming Carnival 2015 Makes a Big Splash

2015 saw a major change in the way the swimming carnival was run. For the first time only those students willing to participate in at least three events were eligible to attend. I would like to take this opportunity to thank the Caboolture Aquatic Centre and Coast and Country buses for their support with the new format; they were both fantastic in their organisation.

The day was a huge success with every student giving their all for their House and team mates. The participation events and fun relays were brilliant and the cheering and house spirit was electric.

Kerri Furlong
Head of Department Junior Secondary/Languages
Age champions for the carnival are as follows:

<table>
<thead>
<tr>
<th>Age Group</th>
<th>Boys</th>
<th>Girls</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 Year</td>
<td>Daniel McNabb and Lachlan Harrison</td>
<td>Zoe Mahoney</td>
</tr>
<tr>
<td>13 Year</td>
<td>Lachlan Thornton</td>
<td>Nikkita Rickert</td>
</tr>
<tr>
<td>14 Year</td>
<td>Daniel Hobbs</td>
<td>Katelin Fox</td>
</tr>
<tr>
<td>15 Year</td>
<td>Kyle Barnwell</td>
<td>Te Huia Stephen</td>
</tr>
<tr>
<td>16 Year</td>
<td>Kyle Chirgwin–Neville</td>
<td>Ashleigh O’Meley</td>
</tr>
</tbody>
</table>

Open Boys David Patterson | Open Girls Bethany English

The House results are:

<table>
<thead>
<tr>
<th>House</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Russell</td>
<td>178 points</td>
</tr>
<tr>
<td>Bribie</td>
<td>270 points</td>
</tr>
<tr>
<td>Stradbrooke</td>
<td>320 points</td>
</tr>
</tbody>
</table>

The winner for 2015 was MORETON on an impressive 350 points.

Congratulations to the swimmers and their House Captains for a job well done.

I look forward to a bigger and better event in 2016 where I am positive we will see the majority of the school involved in this fun and competitive day.

---

**Sporting News**

**INTERSCHOOL SPORT**

Both Senior and Junior Interschool Sport is under way and the first couple of weeks have been very successful in terms of students following instructions and getting to where they have to be. For the Juniors in particular it is all very new and it is a case of listening to notices or speaking to the HPE staff or coaches to know exactly where they have to be.

Just a reminder to parents if you have not paid for school sport yet, it is $15 for juniors, $18 for seniors - fantastic value for an eight week season.

**REGIONAL SPORT**

Morayfield State High School had a number of students attend Regional Trial Day 1 on Tuesday February 17. These trials are to select a Sunshine Coast team for specific sports.

Congratulations to the following students who made a Sunshine Coast team; a great effort considering the size of the region we draw from:

- Open Boys Touch - Jake McPaul, Thomas Griffith and Joshua Crawford
- Open Girls Touch - Melia Larkin
- 15 Years Boys Volleyball - Norman Papalaua - Pati

Well done to these students.

**DISTRICT TRIAL DAY 2**

To be held on Tuesday March 10.

Open and 15s Boys Rugby League, Open Boys and Girls basketball, 15 Years Boys AFL, Open Boys Rugby Union, Open Boys and Girls Soccer

See Mr Moody for details.

**Steve Moody**  
**Sport Co Ordinator**

---

**Industrial Technology Report**

The faculty has had a great start to 2015 with all classes working well. As always at the start of each year there is a big push to cover safety in workshops and all classes have been involved in working through subject theory booklets. These subject theory booklets also contain various exercises and activities which assist in the schools push to improve all students’ literacy and numeracy skills, in particular Year 9 students getting ready for their upcoming NAPLAN exams.

Information from Special Education

Autism Queensland is a community based organisation dedicated to bringing about positive change in the lives of children and adults with ASD and their families. They offer a range of support programs. Access the links below to see what’s on offer:

Kate Eunson
Head of Special Education

What Does Our School Chaplain Do?

Always a big question for new families to our school or new to a school with a chaplain, we hope to clarify the role here.

Our Chaplain, Jesse Davis, is a qualified Youth Worker. He is at our school four days per week to support our students, staff and families in the following three areas:

Pastoral Care [I Matter]

Jesse provides a caring presence, listening ear and relevant support to students going through tough times- divorce, loneliness, grief and loss. He does this by being a link between students and outside community help and/or our school support services. Students can be referred to Jesse by themselves, staff and/or parents for extra emotional support at any time.

- To refer your child or let our chaplain know about a situation that is affecting your child emotionally at this time, please call the school Monday to Thursday and ask to speak to Jesse.

Worldview/Spiritual Support [I Believe]

Children and young people often have questions about spirituality, ethics and the variety of human worldviews. (“Why is He wearing that funny thing?” “Why don’t you eat meat?” “Do you believe in Santa?” “Why don’t you celebrate Christmas?” “What is Buddhism?” etc). Jesse’s role includes providing unbiased information and support for these students who are invited to approach him if they wish to explore these questions further.

While all SU Qld chaplains are from a Christian faith background, they respect those who hold other beliefs and worldviews and actively encourage and teach students to be able to express their own beliefs and opinions respectfully.

Jesse is able to link families with community churches and/or youth groups of a variety of traditions.

Jesse is not involved in Religious Education.

Community Development [I Belong]

Jesse’s role is also one of community building in our school. He conducts social support programs and models positive friendship skills to our students. His role here is to promote a sense of belonging, connectedness and community for all staff, parents and students. This often includes being involved in “extra-curricular” events such as sporting carnivals and leadership days.

Kincade and Royce in a Year 8 Manual Arts class completing a numeracy warm-up

Last year the building and installation of our new TIG welding bays was complete and is a very handy addition to our Senior Engineering workshop. The process uses a non-consumable tungsten electrode that delivers the current to the welding arc. The tungsten and weld puddle are protected and cooled with an inert gas, typically argon. TIG welding is similar to oxy-acetylene welding in that you use a filler material for build-up or reinforcement. Student will have hands on experience with industry standard equipment and techniques. TIG welders have the capability to weld mild steel, stainless steel and aluminium.

Jesse Smith, Year 12 Industrial Technology Studies, practicing TIG welding on mild steel

I would like to take this opportunity to also remind parents/guardians that all students are required to have leather, vinyl or suede shoes as per the school uniform policy which can be found on pages 14-17 in the student diaries. Students who do not have the correct footwear will not be able to participate in workshop classes and will be removed to another class to complete theory work. To add to this all students in Senior workshop classes require safety glasses and are highly recommended to have hearing protection. Continual failure to bring correct safety equipment to class may result in a change of subject. Safety glasses and hearing protection are available to be purchased from the school uniform shop.

Darren Kerr
HOD Industrial Technology

Kate Eunson
Head of Special Education
From the Student Representative Council

The Morayfield State High School 2015 Valentine’s Day celebrations were a huge success. The Fundraising Committee – in co-operation with the Music and Home Economics faculties – sold roses and bears and put on a concert for all students and staff to enjoy.

The music students hit all the right notes as they serenaded over 300 students at the picnic concert. All 288 roses, and 24 bears were sold to students and staff earning $997 with a profit of $653. These funds will be allocated towards SRC programs within the school.

Overall, the feedback from the day was positive and everyone enjoyed themselves. We have set the bar high and aim to beat our success rate with every event we hold. 2015 is shaping up to be a great year for fundraising within the Morayfield State High School community.

Thank you to everyone who helped to make the day the success it was.

Amy Hinchliffe
2015 Fundraising Committee Chair

P&C News

UNIFORM SHOP INFORMATION

Year 12 Commemorative Polo Orders are now being taken. The Cost is $45.00. The last day to accept orders/payment is 5 March 2015. There will be no further orders taken after this date.

Carolyn Reiter
Uniform Shop Co Ordinator

Parenting Workshop

We are holding Parent Workshops for assisting your child in Literacy and Numeracy. These are great opportunities to be able to engage with your child’s learning and give them a change to improve.

The next event is on 26 February. Bookings can be made on www.sobs.com.au or by contacting the school office on 5428 5555.

FREE! Microsoft Office for Students

Students can now download a free copy of the Microsoft Office 365 Suite. This suite provides students with a subscription to the full versions of Word, Excel, PowerPoint, and OneNote.

After downloading, students will have the latest Office suite at home, on their personal PC’s, Macs and other mobile devices. They can install a copy of the suite on up to five devices in total.

Encourage your students to visit the Learning Place student space to access a step by step guide and the download link. Note that the download will involve a significant download (about 2GB) of data and you will need to consider this with your Internet plan.
