FROM THE PRINCIPAL

Welcome to the 2013 school year. Again we have seen the start of the school year coincide with wild weather and flooding. Despite this, we have had an excellent start to the year with a record number of enrolments. Day 4 figures were:

<table>
<thead>
<tr>
<th>Year</th>
<th>Enrolments</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year 8</td>
<td>294</td>
</tr>
<tr>
<td>Year 9</td>
<td>263</td>
</tr>
<tr>
<td>Year 10</td>
<td>289</td>
</tr>
<tr>
<td>Year 11</td>
<td>256</td>
</tr>
<tr>
<td>Year 12</td>
<td>252</td>
</tr>
<tr>
<td>Total</td>
<td>1354</td>
</tr>
</tbody>
</table>

We welcome returning and new students and their families and we look forward to working in partnership with you to ensure your time at Morayfield State High School is both personally and academically rewarding.

Our positive start to the 2013 school year has included:

- Staff from Morayfield SHS, Morayfield SS, Morayfield East SS and the Morayfield Teacher Education of Excellence engaging in quality professional development around the Essential Skills for Classroom Management with Mark Davidson;
- Students returning to school ready to work and taking pride in their appearance by wearing the school uniform correctly;
- The commitment of our Senior Leaders, assisting our Year 8s in transitioning to high school;
- Excellent behaviour being displayed by our students; and
- The addition of new facilities (4 classrooms, shade structure outside Q-Block and a conference room) which will all be completed in the next few weeks.

Staff from the Morayfield schools working together on the Student Free Days.

Together with our staff, I look forward to a productive year of student growth and learning. Our strategic priorities for 2013 are:

- Getting Ready for Secondary School (systems in place to welcome our Year 7s in 2015)
- Quality Curriculum (with a focus on Literacy and Numeracy and including implementing the Australian Curriculum)
- Quality Teaching
- Promoting a Collaborative and Professional Learning Culture

We ask for your support in relation to these priorities and remind parents and carers that regular school attendance is linked to better academic achievement and social and emotional wellbeing of students. Children learn better, make friends, are happier and have a brighter future when they attend school all day, every day.

Staff News

It is my pleasure to welcome the following new staff to our school for the start of 2013:

<table>

We are very proud of our graduating class of 2012. 80% of eligible seniors received an overall position score in the range 1 – 15.

98% of the 2012 Seniors achieved a Queensland Certificate of Education (QCE) and/or Overall Position score and/or a Vocational Education Certificate. 92% of our students who applied for tertiary places through the Queensland Tertiary Admissions Centre (QTAC) were successful in the first round of offers.

2012 graduate, Sarah Norman, has accepted the USC Vice-Chancellor’s Merit Scholarship at the University of the Sunshine Coast. This is an extraordinary achievement and we wish Sarah every success with her studies.

Many of our Year 12s have entered into the workforce and we are aware of some successful placements at this stage. These results confirm our commitment to all students achieving their learning potential and provides reason for celebration of the combined efforts of students, their parents and their teachers. We wish all the best to our 2012 graduates and look forward to hearing of their future successes.

Intersection Upgrade at Front of School

Work has commenced on the upgrade of the Visentin Road/Station Road intersection at the front of the school. This caused some confusion and delays on the first day of school, but movement has improved as we settle into the school year. Pedestrian access to the school is being heavily monitored to ensure student safety and I congratulate our students on their mature and responsible behaviour on their way to and from school.

Once completed, the upgrade will improve traffic flow and pedestrian safety. We will continue to work with the contractor and with Moreton Bay Regional Council to minimise disruption and will keep you informed with regular updates from the Council in our newsletter. Please refer to our Community Notices for a map, outlining the construction and other details.

Creative Generations

Congratulations to Year 11 student, Libby Grant, who has been selected for a call-back audition for featured and backing vocals for Creative Generation – State Schools Onstage 2013. This is a great achievement as she won selection from over 150 individual nominations from across the state.

Parents’ and Citizens’ Association

The first P&C meeting for 2013 will be held on Monday, 11 February at 6.30pm in J-Block. This is a normal meeting and other details.

I urge you to communicate actively with us at all times, as our partners in ensuring the best education for your child. Year Level Coordinators should be the first point of contact for parents/carers should an issue arise in relation to the welfare of your student.

Success of 2012 Graduating Class

We are very proud of our graduating class of 2012. 80% of eligible seniors received an overall position score in the range 1 – 15.

We also welcome back the following staff:

Did you know that your child’s best learning time is the start of the school day?
That’s when every minute counts the most!

School starts at 8.45!

CHANGE TO BOOKSHOP HOURS FOR 2013

COMMENCING Monday February 11: Monday - Thursday 8AM – 9AM

Carrolyn Reiter
Bookshop Convenor

From the Cashier:

Welcome back for 2013. If you have not returned the renewal forms for 2013 that were posted home during the holidays, please return them to the Cashier as soon as possible. If you did not receive the forms in the mail please collect another copy from the office and return to the Cashier on completion.

The Student Resource Scheme annual fee of $200 or Term 1 instalment of $50 (if paying by term), is now due. Please make payment to the Cashier when returning the completed forms for 2013. Once payment is made, please present the receipt at the Bookshop so textbooks can be issued, providing all textbooks from previous years have been returned.

Cashier hours are 8.15am – 1.30pm Monday to Friday. Payment and account enquiries can only be made during these hours.

Julie Hill
Cashier

Welcome Year 8

On behalf of the school community I would like to take this opportunity to welcome our Year 8 students and their parents. Week 1 was only short, however I hope you all settled in to the school routine and are enjoying high school life.

As Year Level Coordinator I will work in a pastoral care role with the Year 8 students to make their transition to high school as comfortable as possible and to assist in their development.

I am very impressed in regards to the standard of uniform and behaviour displayed so far by the Year 8 students. Such a great start to the year is a good foundation for future success.

To ensure this success continues, a consistent approach to all Year 8 classes has been adopted. All students begin their classes with the following:

Let’s be clear, today we –

- are ready to learn and ready to work
- will be visibly learning and teaching
- will know what we have to do to improve

If you have any issues or concerns regarding your child please feel free to contact me via the school office. I look forward to meeting and speaking to many of you in the future.

Carla Stevens
Year 8 Coordinator

Welcome BBQ for Year 8 Students and their Families

You are invited to join us for a sausage sizzle so you can meet teachers and key staff in the school.

Date: 12 February
Time: 4.00pm – 6.00pm
Venue: Multi-Purpose Hall

I look forward to meeting you all at this informal, friendly event.

Kerri Furlong
Head of Department Junior Secondary

MSHS Student Support Centre

With 2013 already shaping to be another busy school year, it is exciting to be able to introduce our new Student Support Centre to the students, parents and members of our local community. The Student Support Centre has been established to directly focus on student welfare within our campus and to offer a place where students can go for support, assistance and guidance for all matters related to their schooling and/or social and emotional development.

The Student Support Centre will be managed by our new Head of Department – Student Services, Brendan Macaulay. Along with Jo Duncan and Helen Jurko, the team will be responsible for the daily operations of the centre. The Student Support Centre is located in A Block and will be a place where students can come to discuss issues that are affecting their welfare both at school and beyond as well as the base for the schools alternative programs, student orientation and intervention programs.

We thank you in advance for your support of the Student Support Centre and look forward to having a fantastic 2013.

Brendan Macaulay
Head of Department – Student Services

Numeracy Literacy

Off the Shelf

**WATCH THIS SPACE**
This year the Literacy and Numeracy Team will be contributing to every newsletter in this column: “Off the Shelf”. We will be including puzzles, book recommendations, reviews and numeracy/literacy tips. All members of the MSHS community will have opportunities to participate in Literacy and Numeracy activities throughout the year. Keep a look out for events, competitions and other Literacy and Numeracy news in the future.

Verushka Torrens
Head of Department English

English Faculty

The junior curriculum has gone through some more changes. Even though Years 8 and 9 are still using C2C (Curriculum into the Classroom – Queensland’s adaptation of the National Curriculum), alterations have been made to streamline the content that is covered in these years. The focus is more about the quality of content and outcomes for our students. We have continued the development of C2C into Year 10–meaning all new content will be provided to students. It is going to be an exciting and busy year.

If you have queries concerning your student’s English studies, including curriculum, placement in an English class, or your student’s results, please do not hesitate to contact me.

Melissa Hughes and Sue Haslam
Literacy Coach and Numeracy Coach

School Sport

School sport in the South Coast Region is on again and Morayfield State High School will be an active participant in the week to week competition which is played against 15 other schools. For the Year 8 students new to the school, sport is a fantastic opportunity to get involved in school life early in the year.

Sports on offer for SENIOR SPORT are: volleyball, basketball, futsal, touch football and cricket (boys only). Cost for the 10 week season will be $38.

Sports on offer for JUNIOR SPORT are: volleyball, basketball, futsal, touch football, cricket (boys only), and softball (girls only). Cost for the 10 week season will be $34.

Parents, please ensure you sign the permission form that your student will receive from their coach and return with money to the cashier to be eligible to participate in school sport. Morayfield State High School has a proud history in interschool sport, filling most teams and regularly achieving success, winning our region and making it through to Met Finals.

Any queries regarding school sport can be directed to the HPE department on 5428 5527.

Steve Moody
Junior Sports Coordinator

Insurance Cover for Students Undertaking Physical Activities

Physical activity and physical education, particularly contact sports, carry inherent risks of injury.

Parents are advised that the Department of Education Training and Employment does not have Personal Accident Insurance cover for students.

Education Queensland has public liability cover for all approved school activities and provides compensation for students injured at school only when the Department is negligent. If this is not the case, then all costs associated with the injury are the responsibility of the parent or caregiver.

It is a personal decision for parents as to the type and level of private insurance they arrange to cover students for any accidental injury that may occur.

Arts News

Zen Zen Zo Youth Ensemble

Congratulations to Tanith Underwood and Rachael Walshe for being selected by the Zen Zen Zo Theatre Company as part of their Youth Ensemble. This is a great opportunity for these students, as they will get to work with professional artists, attend live performances and undertake a range of workshops in the Physical Theatre style.

Creative Generations 2013

Warm-up your voices and get ready to sing! Creative Generations 2013 rehearsals begin on Tuesday. All students male and female who wish to sing are most welcome. Generations 2013 rehearsals begin on Tuesday. All students male and female who wish to sing are most welcome.

Parents, if you know your child can sing but is a little shy please contact Mrs Thorpe in the Q block staffroom for further information.

Dance Troupe 2013

Next week Dance Troupe auditions will take place during second lunch break. If you are interested please see the Q block notice board for information. The audition will include learning a phrase of movement and then performing it in a small group in front of a panel of teachers. Students who are part of Dance Troupe perform in several competitions and performances throughout the year. Dancers from all styles as well as gymnasts, martial artists and skaters are encouraged to audition.

Instrumental Music

Morayfield State High School has three instrumental music teachers catering for strings, woodwind, brass and percussion. Lessons have commenced for 2013 however, if your child is interested in learning an instrument please contact Mrs Rigby or Mrs Thorpe to pick up an enrolment.
form. A reminder to current students that Stage Band rehearsals commence on Friday at 7.40am.

Liz Rigby
Head of Department - The Arts

ARTIE Launch 2013

The Morayfield State High School Indigenous Unit is looking forward to another fantastic year, working together with students to achieve their best.

We are all excited about our first event, the Former Origin Greats (FOGS) morning tea, which will outline the focus of this year’s ARTIE Mentoring Program.

The launch will take place in Wednesday, February 13 from 1.00 – 2.00 pm in the library. Afternoon tea will be provided and parents and family are invited to attend.

The indigenous team this year will continue unchanged; Warren Steel as Program Manager, Karen Scott as Coordinator and Julie Stimson as Indigenous Teacher Aide. We will all be working together with students to improve their success in class.

Our staffroom is in N Block - please encourage your student to pop in and say hello. We are happy to assist them to solve any issues and celebrate their successes. We also have a small reading area where students can access brochures and other information on pathways and programs beyond school.

Homework tutorials will provided free of charge in the library before school on Wednesday morning from 8.15am and Monday afternoon from 3.00 – 4.00 pm. Please take advantage of this service to complete homework, assignments, prepare resumes and study.

Karen Scott
Indigenous Coordinator
N block Staffroom

School Based Youth Health Nurses – Guide for Parents

Queensland Health employs School Based Youth Health Nurses (SBYHN) who work in secondary schools across Queensland, including Schools of Distance Education. These nurses focus on preventative health for young people and provide:

• a confidential health service
• health information to students, teachers and the school community
• intervention and links to other services as required.

SBYHNs are not employed to administer medications, deliver health procedures or provide routine first aid. Queensland state schools offer these services via other staff members.

How the SBYHN can support your teenager

Confidential Student Appointments

Your teenager can make an appointment with the SBYHN to discuss any questions they have about their health. These appointments are confidential, and the nurse will not share any information without the student’s consent unless there is a risk to the student’s health in not sharing this information with others.

In most cases, it is best for young people to talk to their parents about health and wellbeing issues. The SBYHN can support young people to do this.

Generally the law recognises that young people (usually over the age of 12 years) have the right to self-determine access to a health service. The SBYHN will assess if the young person has a sufficient level of maturity and understanding regarding the issues and the health services proposed. Where the SBYHN assesses that the young person does not have sufficient levels of maturity and understanding, the SBYHN will seek consent from the young person’s parent.

Individual health consultations may include:

• early detection of actual or potential health problems
• providing information, options or referrals regarding relevant health services to provide them with further assessment, treatment or support
• providing brief interventions and/or referrals as appropriate.

Some of the main issues for which young people access a SBYHN are mental health, including social and emotional wellbeing, relationships, stress, eating issues, sexual and reproductive health, drugs (including tobacco and alcohol) and growth and development.

Where possible and with the young person’s consent, the school may establish a team approach with Education Queensland school support staff to address the health needs of the young person.

Our School Nurse at Morayfield State High School is Sue Scriven, and is available every Tuesday and Wednesday and alternate Thursdays. Sue has a room in N Block and phone number is 5428 5585. Students may make an appointment directly with Sue or pop in during their breaks.

Karen Scriven
School Based Youth Health Nurse

Chaplain News

My name is Carina Mclean; I am the school Chaplain here at Morayfield State High School and have been here since 2003. During this time I have seen many students move through their school years. It is quite encouraging running into former students as young adults and hearing about where they are now. I suppose it reminds me that there is always life after school.

You may find some of the choices and obstacles that come your way a little overwhelming at times. If so please know that is why support services such as the Chaplaincy service are available. If you see your child is struggling, or you notice shifts in attitude and behaviour and are not sure about what to do, take the opportunity to connect with the student support team here at Morayfield State High School. Feel free to ring and have a chat, or if you believe your child could benefit from speaking to someone; encourage them to seek out support. As Chaplain I am happy to support you as a parent; as well as to be there as an independent source to listen to your children through their struggles.

Pastoral Care is a key component of what I do here at the school; however you will also find me involved in presenting life skills programs for different year levels tackling different areas of developments such as healthy communication, problem solving, healthy relationships, and leadership. If you believe there is additional support we could provide for your student through extra life skilling, please let us know and we will seek to include them in proposed programs.
I am in the school Monday – Thursday, located in a room next to the Tuckshop. You can contact me during school hours on 5428 5538.

Be filled with hope and strength as you parent through 2013.

Carina Mclean
School Chaplain

School Roadworks

WEP Student Exchange - Memories and Skills for a Lifetime!

Give your child the opportunity to gain international experiences and language skills to kick-start a future career. Along with distinct language benefits, exchange students mature, gain confidence and develop a much more worldly approach upon their return to Australia.

World Education Program Australia (WEP), a not-for-profit student exchange organisation registered with the education departments, is now accepting applications for students to live overseas in 2013/14 as exchange students for a summer, semester or year.

WEP is offering two $3000 scholarships towards semester-long student exchange programs to Argentina and China commencing in 2014.

Find out more!

• Visit www.wep.org.au
• Attend one of WEP’s information evenings and open days

SKYE’S CENT RAFFLE
World’s Greatest Shave: Raising Funds and Awareness in the Fight Against Leukaemia

DONATE
I will be hosting a cent auction to raise money for The World’s Greatest Shave. Last year I raised $210. Please help me reach my goal of raising $3000 in 2013, by donating goods or services to be auctioned off on the day. Every single item helps and all proceeds will go to the Leukaemia Foundation.

BID
Join in the fun on the day and bid in the auction for your chance to win some great prizes from local businesses and market stall holders.

SHARED
Please help me spread the word so that we can raise as much money as possible. Visit my Facebook page SkyeWorld’sGreatest to keep up to date on my fundraising progress, see some sneak peak auction items, and read all about the generous business owners who have donated to the cause.

When: 16/03/2013
Where: 2pm for 2pm start
Location: Gymnasium Pavilion
Calendar/Northgrounds
